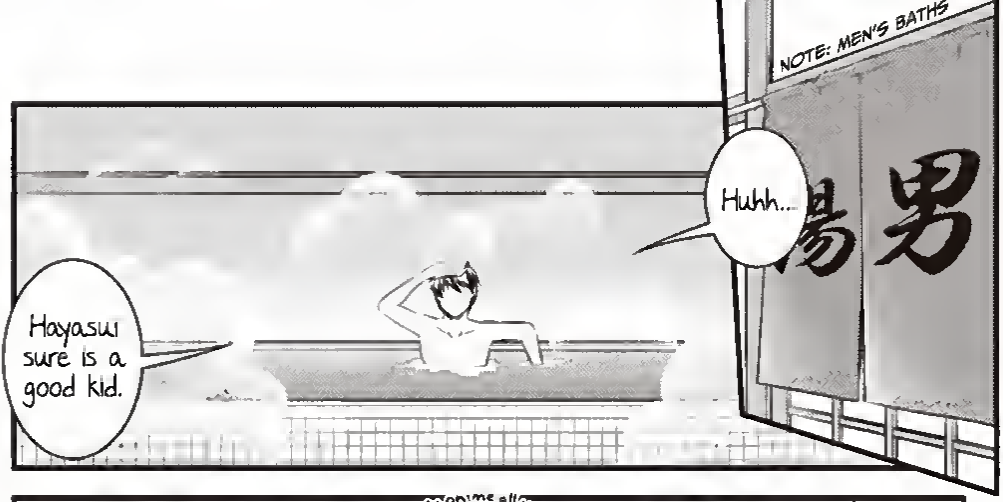
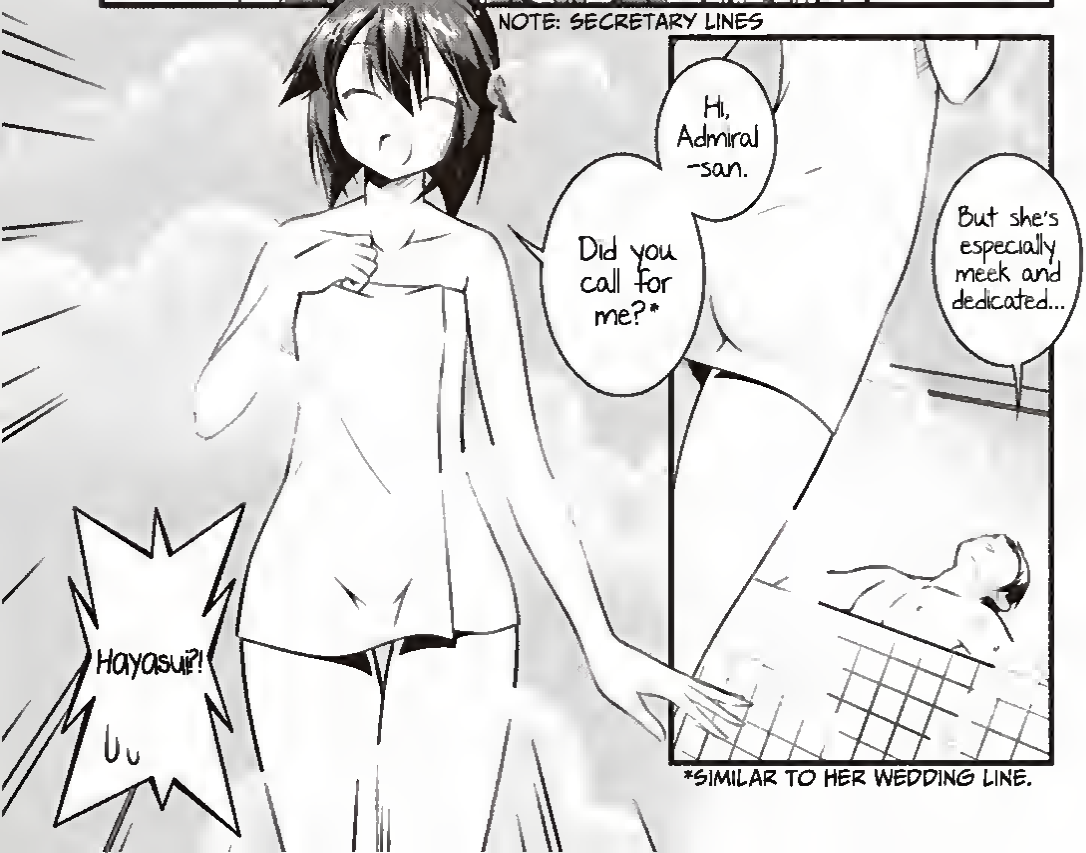
Ah, Admiral-san, good work today!
CREAK
Oh, Hayasui, you were cleaning up the office, huh?
FLAP
FLAP
Hey, Hayasui... you've still got your rigging on?
I told you to remove it before doing any cleaning, didn't I?
But, but, Hayasui doesn't want to waste a single minute, a single second, when I could be helping Admiral-san!
One-two,
One-two!
Woah, knock or something, Hyuuga!
Wha?!
Fufu... Hayasui's as dedicated as ever.
THE FLEET MANAGER
真田一輝

It's just that... sometimes I feel like she's spoiling me...
It's fine. I, too, acknowledge her excellence.
Ugh... anyway,
Hayasui!
Yes?
I'm off to take a bath,
so take it easy and wrap up, okay?
Tap.
And take off your rigging as well.
Ah, yes, I'm on it!
I'd better invite her to the "Friends of Zuiun Club" at once...
Yup, yup.
What kind of group is that!?
I didn't know we had such a sketchy group here on base!!
A Zuiun lover could never be a bad person!!
Er, well sure, Hayasui can indeed carry Zuiun,
but I'm pretty sure she's not as obssesed with them as you are...?

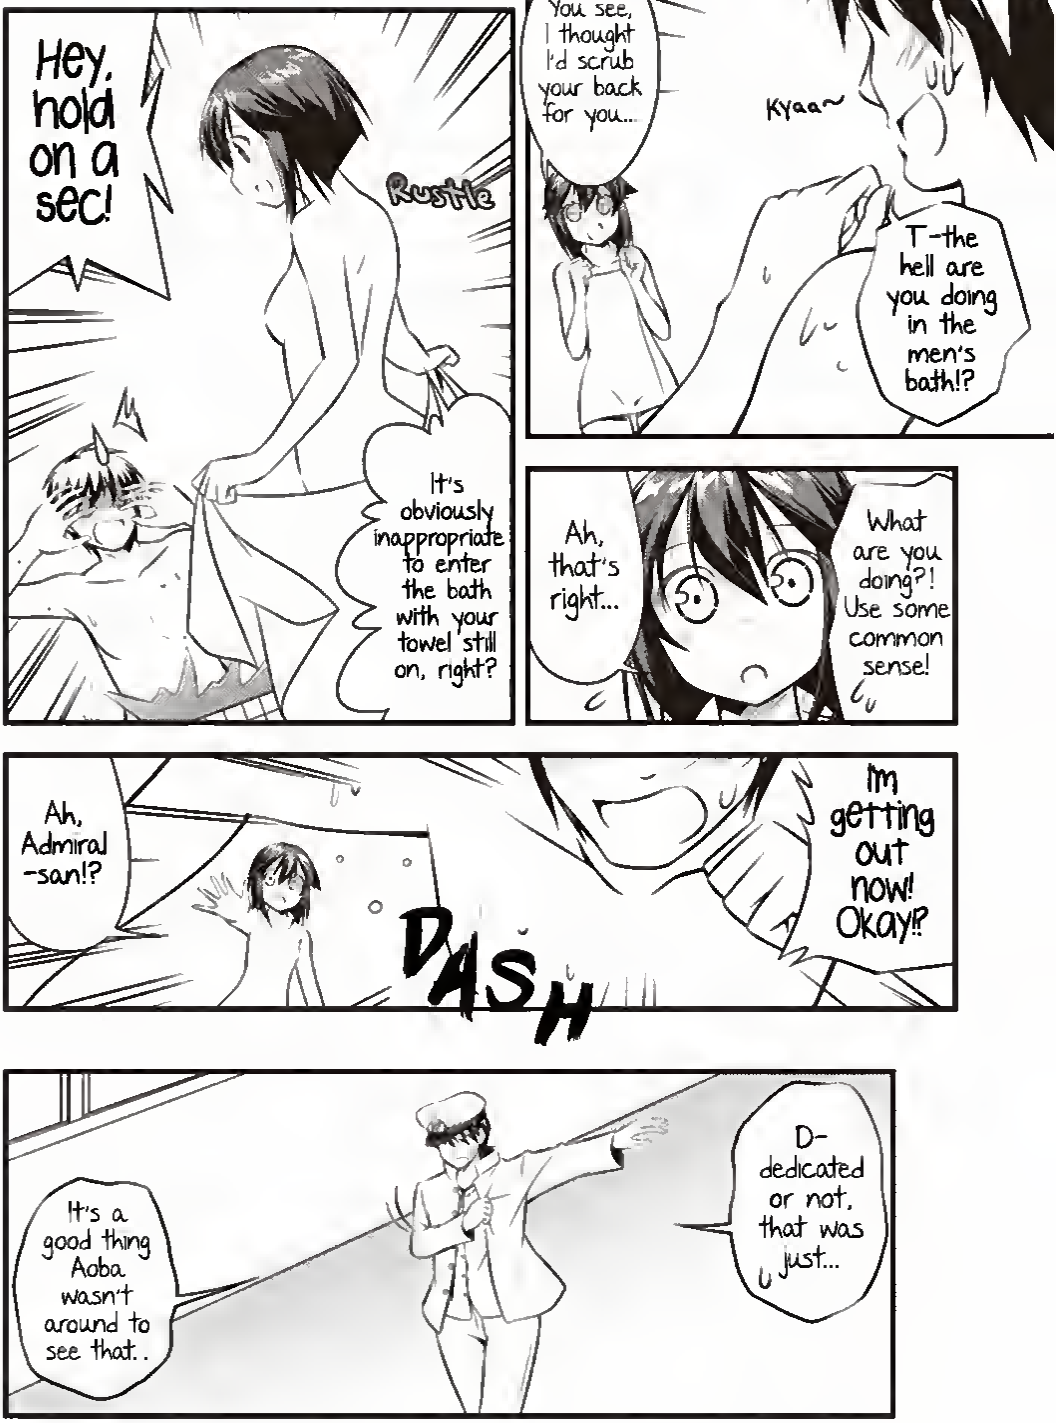


Are you interested in me?
You can rely on me all you want!
The Admiral sure is nice...
The shipgirls pay me too much respect
if I do say so myself.

NOTE: SECRETARY LINES



*SIMILAR TO HER WEDDING LINE.

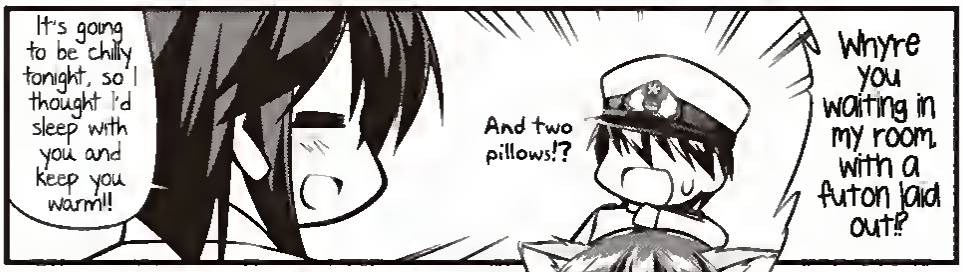


You see, I thought I'd scrub your back for you...
Kyaa~
T-the hell are you doing in the men's bath!?
Hey, hold on a sec!
Rustle
It's obviously inappropriate to enter the bath with your towel still on, right?
Ah, that's right...
What are you doing?! Use some common sense!
Ah, Admiral-san!?
DASH
I'm getting out now! Okay!?
It's a good thing Aoba wasn't around to see that..
D-dedicated or not, that was just...

B-BWAAAH!?
Ah, Admiral-san, welcome back!

And now I'm all worn out...
Guess I should call it a day..
ガチャ

SFX: OPEN



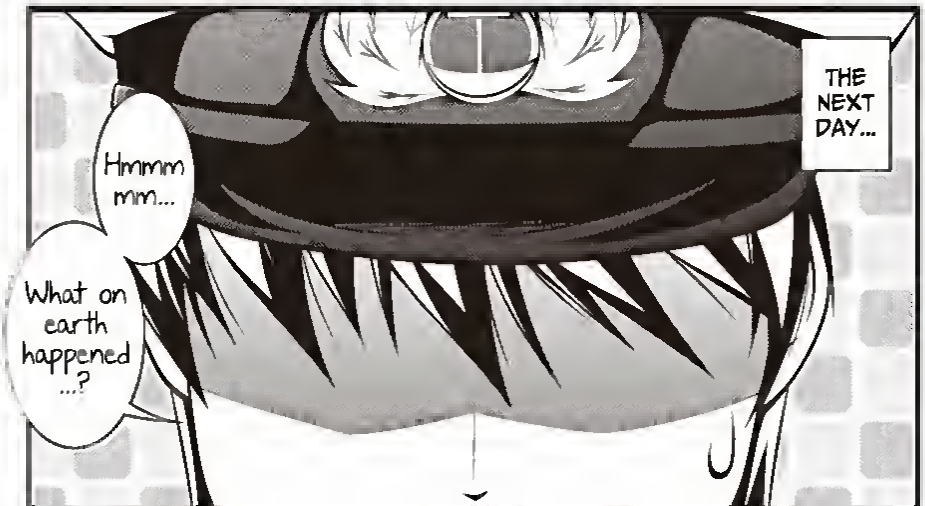
It's going to be chilly tonight, so I thought I'd sleep with you and keep you warm!!
And two pillows!?
Whyre you waiting in my room, with a futon laid out?

I-I guess I like the idea... I like it,
but if Aoba saw anything like that, my career would be...

After all, I didn't get to scrub your back earlier,
so I can make up for it by helping you here!
Swish
Swish

Hayasui?
...I guess someone like me really isn't enough, huh...?
I'm new here, so I've got no experience.
I'm an oiler, so in battle I'm always the one being protected...
Even as a supply ship, I can't compare to Mamiya-san and Irako-san...
It's alright, Hayasui.
You already do more than your fair share around here.
Pat
So I thought at least I'd...oh?
Admiral-san...?

Why don't you
lend them your hand, instead of me?
Admiral -san...
If you really want to be more useful,
you've got plenty of comrades that are as good as family here.
Looks like I managed to distract her...
not that I was lying or anything...
Got it, Hayasui will do her best for everyone's sake!



THE NEXT DAY...
Hmmm mm...
What on earth happened ...?

Ah, about that...
My clothes, underwear, even my treasured belongings a bunch of my stuff just vanished...
Ah, Hayasui. Actually..
Is something the matter, Admiral-san?
Admiral's smell...♡
I won't give up here...
I handed them out to the shipgirls who wanted them!
Sheesh, Commander
Reading books like these when you've got me...
The hell'd you do that for!?
Everyone was so happy...
Ah, Admiral-san's private pictures are pretty popular too, you know?
Hiiiiin! When did you even take these?!
I don't care what you do with that club...
Oh, I also joined Hyuuga-san's "Friends of Zuun Club", and it's a lot of fun!
but not like this!!
I did say "instead of me"...
I was able to help everyone out!
